

GUIDANCE FOR PEOPLE TRAVELLING OVERSEAS

El futuro
es de todos

Cancillería
de Colombia

The Ministry of Foreign Affairs asks all travelers leaving Colombia to take into account the following recommendations for their safe, orderly, and regular travel abroad based on the provisions of the aeronautical and health authorities for the gradual reopening of the international air operation as of September 21st, 2020.

Before your trip, check the health regulations of the country you are going to (Covid19- test requirement, vaccination card, etc.)

Verify that you meet all the immigration requirements to enter the country of destination (if you are not a citizen or resident)

Visa procedures should be consulted directly with the consular or immigration authorities of the destination country (if you are not a citizen or resident)

Fill out the “Check-Mig” online form 24 hours before your flight to facilitate your emigration control

Access the Check-Mig form here: (available in English/ disponible en français)
